Summary Report of National Training on ICT 14th -21st March 2022 at RK University

A. Overview:

Integra is an EU project, co-funded by the Erasmus+ Programme of the European Union, with an objective to build ICT related learning gaps and psychosocial support needs of young migrants in pursue of their full social and economic integration with an introduction of innovative, comprehensive methodology to the higher education systems combining both educational and psychosocial support services.

ICT Training under the National Training Program was organized for educators by RK University from 14th – 21st March 2022

25 participants successfully completed the training and are equipped with ICT skills.

Co-funded by the
Erasmus+ Programme
of the European Union
