Physiotherapy Ideathon: Judging Criteria

Submissions will be evaluated based on the following criteria:

- ✓ **Problem Relevance (40 pts)** – Clearly defines a real-time physiotherapy challenge and its impact.
- ✓ **Significance (30 pts)** – The challenge is clinically important and affects patient care or physiotherapy practice.
- ✓ **Clarity (20 pts)** – Well-explained, specific, and easy to understand.
- ✓ **Uniqueness (10 pts)** – Highlights an issue that is not widely addressed or needs more attention.

 **Total: 100 Points**

 **Exciting Prizes Await! Certificate, Trophy and Cash Prizes to Winner, 1st Runner-up and 2nd runner-up**

Evaluation Process:

1. **Initial Screening:** Shortlisting based on relevance and quality of submission.
 2. **Detailed Review:** Expert panel evaluates submissions against the judging criteria.
 3. **Live Pitch: Shortlisted** first three teams present their ideas to the panel. 12 minutes to each
-

Important Announcement:

On **Day 2 of physiofest**, there will be a special session on “**Physiotherapy Ideathon: Addressing Real-Time Challenges in Physiotherapy and Rehabilitation.**”

 The **top three awardees** will have the opportunity to **pitch their idea** and every participant will have expert guidance for further refinement and development.
