Event Brief

Team Formation:

Each team should consist of two members from the same college/University.

Elimination Round:

- Screening round consists of 20 multiple choice-based questions to be answered on a live interactive online platform. Marks will be awarded to each team on the basis of correctness of answer and speed of giving answers. No negative marks for wrong answers.
- Top 6 teams from the written quiz will get qualified to play the next round.

Round 1 Googly Round:

- In this round there will be four questions, common for all the teams.
- In each question, jumbled letters and clues will get displayed on screen. With the help of letters, the team needs to write down the answers on the piece of paper provided to them.
- For each correct answer team will get 100 marks and for each wrong answer team will lose 50 marks.
- Please understand the demo question carefully and clarify your doubts, if any.

Round 2 - Option Wala Round (MCO)

- In this round the team will be provided with the list of categories from which they need to choose one.
- Team will be asked all the questions from the selected category only.
- Leading team of the first round will get the first opportunity to select the category. Followed by challenger teams on the basis of their scores.
- Each team has to answer 4 questions. For each correct answer team will get 100 marks and for each wrong answer team will lose 50 marks.
- Team with the lowest score will be eliminated for a further round.

Round 3 – Pehchan Kaun

- In this round the team will be provided with the list of categories from which they need to choose one.
- Team will be asked all the questions from the selected category only.
- Leading team of the second round will get the first opportunity to select the category. Followed by challenger teams on the basis of their scores.
- Each team has to answer 4 questions. For each correct answer team will get 100 marks and for each wrong answer team will lose 50 marks.
- Team with the lowest score will get eliminated and the remaining 4 teams will proceed to play the next round of quiz competition.

Final Round consist of two round as given below:

Round 4 – Clue Funnels

Format: Each team has 2 opportunities to score points. Mechanism:

Teams are presented with clues in 4 slides, each revealing a bit more about the answer. Scoring System:

- First Clue (Slide 1): If the team guesses the answer after seeing just the first clue, they score 500 points.
- Second Clue (Slide 2): If the team guesses the answer after the second clue, they score 300 points.
- Third Clue (Slide 3): If the team guesses the answer after the third clue, they score 200 points.
- Fourth Clue (Slide 4): If the team guesses the answer after the fourth clue, they score 100 points.

Penalty: If a team fails to guess the correct answer after seeing all the clues, 100 points are deducted from their score.

Round 5 – Rapid Fire

In this round quizmasters will ask questions to each team for 1 minute.

- Team has an option to skip the question, if they don't know.
- 100 marks will be provided for each correct answer and 50 marks get deducted for each wrong answer. Team can attempt as many questions as they can in 1 minute of time.

At the end of the 5th round, the team with the leading score will be declared as the winner.

Note: In case of a tie between two teams, tie breaker questions will decide the winner.
